

ELEMENTAL COLLECTION

ELEMENTAL COLLECTION

Elemental collection consists of the best leathers from Carroll Leather for high traffic use. Featuring many of our signature Purely Protected® leathers.

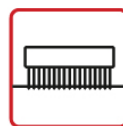

The technology found in Purely Protected® leathers reduces the scratching, fading, staining and color variation found in aniline leathers. Purely Protected® leathers are perfect for the home, hotels, office and restaurant use. No matter the application, you don't have to sacrifice soft and luxurious leather for the sake of performance.

CARE & CLEANING

Many people wonder how to clean leather. If you follow the easy care directions below you can easily extend the life of your leather. Well cared for leather will guarantee a nice polished look for many years.

- Use a damp cloth for the regular cleaning of your leather.
- For a more thorough clean, use a mild soap without saturating the leather.
- Avoid the use of harsh chemicals and cleaners.
- Polish with a dry soft cloth after each cleaning.
