

Remedy

by kovet

A different level of quality

Welcome to the world of KOVET!

Where the art of furniture craftsmanship meets the diverse needs of today's hospitality, gaming, and senior living industries. As a distinguished furniture manufacturing company, we take immense pride in creating exquisite and functional furniture solutions for hotels, casinos, extended stay facilities, and senior living communities under three distinct and prestigious brands: Kovet Hospitality, Tailor Made by Kovet, and Remedy by Kovet.

In this exclusive look-book, we invite you to embark on a visual journey through the exquisite creations of our renowned furniture manufacturing company. With an unwavering commitment to excellence and a passion for crafting furniture that not only enhances the aesthetics but also elevates the comfort and functionality of spaces.

As you turn the pages, you will discover a curated selection of our in-line furniture thoughtfully designed to cater to a wide spectrum of interior styles and performances. Join us in discovering the perfect blend of style and practicality, a fusion that has made us a trusted partner for industry leaders. Together, let's create environments that leave a lasting impression, built with passion and precision, and guided by the timeless ethos of Kovet's furniture expertise. Welcome to the world of Kovet, where form and function unite in harmony.

MIRANDA

SERGIO

Remedy by Kovet was established with the belief that comfort is the greatest luxury of all. Each piece in our collection was designed and engineered with Environments of Care in mind, curating some of our favorite pieces from Kovet's hospitality line and previous Senior Living projects.

Styles range from fresh contemporary to a reimagined traditional looks.

CIERRA

With a keen focus on creating functional, comfortable, and aesthetically pleasing furniture, *Remedy by Kovet* offers a range of innovative designs and options to enhance the living spaces of seniors.

ODESSA

WYATT

SFA6307

With the ideal amount of lumbar support and comfort, sturdy arms and frames, *Remedy by Kovet* allows residents and their families to relax for hours. Each piece is thoughtfully handcrafted with an eye to detail, incorporating pattern matching and nail-head trim. Seat and arm heights are scaled slightly higher for accessibility and ease of exit, while frames are easy to clean and maintain for lasting beauty.

SFA6308

Remedy by Kovet is a dedicated provider of inline and custom furniture solutions tailored to meet the unique needs of Senior Living communities.

EMMA

Whether it's creating inviting common areas, comfortable seating, or personalized pieces to suit individual preferences, *Remedy by Kovet* is committed to delivering top-quality, customized furniture that promotes well-being and quality of life for seniors in residential care environments.

ANA

JOLYNNE

BAILEY

NAOMI

Our commitment to delivering exceptional spaces does not end with our in-line offerings. We take immense pride in our ability to bring your vision to life through our custom furniture solutions.

LARISA

ELIANA

All Nail-Head trim is chalked and applied by hand.

OTT3047

SFA6345

EVERNIA

Our expert craftsmen work in collaboration with your design and project teams to create bespoke pieces that align with your project's distinct personality and requirements. Each piece is a testament to our dedication to quality, creativity, and functionality.

CONLEY

Benefits of Kovet Manufacturing: American Owned, North American Manufacturing.

- **Vertically Integrated Manufacturer**, manufacturing all processes of production in our own factory.
- FOB location San Diego, CA.
- Ability to view your order 24/7 virtually through our proprietary purchasing portal.
- All frames are both machine and hand-tooled, using only kiln-dried solid wood.
- Construction with use of both double dowel and Mortise and Tenon joinery, glued and screwed with corner blocks.
- **No Minimum Quantities required.**
- Fully Custom Capabilities – addition of Castors, Nail-Head Trim, Ferrules, Welt or Welt-less construction.
- Upgraded Polyurethane Non-Scratch top-coat finish from Sherwin Williams available with orders of minimum quantity of 25 items.
- Over (30) standard wood finishes to select from. Standard wood species is Beech, but can also provide Oat, Walnut, or Maple.
- Commercial Steel frames completed in-house.
- Use of design, trend-setting powder coat finishes from Prismatic Powders.
- Pattern matching for all fabrics, all frames, is Standard, which may require additional COM requirements.
- Capability of power components and tablets integrated into frames.

Easy-Clean Seat Decking

Option to specify, includes lift tab in rear of seat for ease of removal and replacement.
